

PRODUCTION SUPERVISOR

COMPANY DESCRIPTION:

Foliot Furniture is a dynamic and successful company in the furniture industry in North America. The mission of the company is to design and manufacture top quality furniture while creating an environment that's harmonious for its customers, for its employees and for its local community. Based on sound values, the company is based on a participatory management, a successful engineering and sustainable development to promote his economic growth and the achievement of its employees.

JOB DESCRIPTION:

Reporting to the Assembly Manager, this position is tasked with supervising personnel as well as planning and implementing activities in their area of production, according to the stated objectives and the values of the company. They are specifically responsible for:

- Calculating, analyzing and setting the unit production time, as well as establishing the appropriate number of people required to reach the production objectives;
- Evaluating the performance parameters of the assembly lines and making suggestions for improvements;
- Meeting daily production objectives, analyzing discrepancies in relation to other indicators, and taking corrective action;
- Compiling observed statistics and using trends to continuously improve the assembly department;
- Identifying the workforce required on the assembly lines when starting up and changing production;
- Optimally distributing the workforce between the assembly lines and minimizing non-value-creating tasks;
- Training team leaders according to the lean-manufacturing philosophy;
- Carrying out quality control inspections according to Foliot standards.

REQUIRED SKILLS:

- Certificate in administration, or equivalent experience
- 3 to 5 years of experience in the manufacturing sector
- Good knowledge of furniture
- Logical, observant, and analytical; focused on results and problem-solving;
- Proactive, resourceful, and independent approach;
- Attitude of professionalism, integrity and leadership;
- Effective communication skills;
- Ability to adapt and be flexible and versatile in a growing and changing environment.
- Must be bilingual English and Spanish.
